Report Title: Distribution ROI Support Scheme Apr25	
Report Description: The distributor wise incentive amount is different for different distributor and will be shared by the distribution team. Incentive calculation is based on SCR (Stock Coverage Ratio), Bundle and (EV+SC+DTR+OTF (EV+IRIS) issued to retailers (SR to Retailer and DD to Retailer). SC Means primary Lifting (Distributor Lifting from warehouse).	
☐ Effective Date: 1-Apr-25 ☐ End Date: 30-Apr-25	
Detail & Conditions:	
- KPIs must be achieved to be eligible for the incentive scheme. If failed, Commission amount will be Zero.(Gate: SCR Must be achieved to be eligible for incentives calculation). SCR Qualified distributor list will share by B2C. - Total Incentives Amount will be divided into two KPI's. One is Bundle (50%) and another is Recharge (50%) individually. Two KPI's are not dependent for each other. Recharge means EV+SC+DTR+OTF (EV+IRIS) issued to retailers (SR to Retailer and DD to Retailer). SC Means primary Lifting (Distributor Lifting from the warehouse). Less withdrawal, which will be taken as usual process. BL Franchise Store EV Secondary will be excluded from achievement Bundle upsell means retailer to customer (Except SC). Total Bundle is the summation of Data, Voice & MXB bundles. Exception: Relevant DDs will be eligible for 50% support amount if they achieve at least 70% of the target in either KPI. For example, if the scheme amount is BDT 10 and the 70% threshold is met only for Recharge, then the DD will receive BDT 2.5 (half of BDT 5). The same applies if the target is met for Bundle. The Commission amount will be calculated separately. Two KPIs are not dependent on each other. Retailers under distributor registered in DMS retail database as "BL Franchise Store" in retailer Type column/page will not be considered for this commission. - General mathematical rounding; i.e. below 0.5 will be rounded down and greater than or equal to 0.5 will be rounded up is applicable for end achievement calculation of all KPI's - Month end agent list will be consider.
